

ONCOORTHOCON 2019: 2nd Annual Orthopedic Oncology Conference

2nd Annual Orthopedic Oncology Conference ONCOORTHOCON 2019 was conducted on 20th October 2019 at Ahmedabad by The Gujarat Cancer & Research Institute (GCRI) and Gujarat Orthopedic Association and Ahmedabad Orthopedic Society.

This conference was arranged in India's first 'Heritage City', Ahmedabad in October 2019 under the dynamic leadership of Dr Shashank Pandya, Organizing Chairman and Dr Abhijeet Salunke, Dr Jaymin Shah, Dr Vikas Warikoo, Organizing Secretary ONCOORTHOCON 2019.

ONCOORTHOCON 2019 was a phenomenal success by 100 + delegates from different parts of the country and with 15 + abstract submissions. The scientific sessions comprise of eminent international faculty Dr Gurpal Singh (Singapore) and national faculty Dr Vivek Verma(New Delhi),Dr Suman MB(Banglore),Dr Koushik Nandi(Kolkatta),Dr.Rahul Parmar(Surat),Dr Abhijeet Salunke(Ahmedabad),Dr Jaymin Shah(Ahmedabad),Dr Mayur Kamani(Ahmedabad) and Dr Vikas Warikoo(Ahmedabad) from globally reputed cancer institutions.

The conference started with a full hall lecture session from Approach to bone tumors followed by radiology in bone tumors and session on GCT, Malignant bone tumors and metastatic bone tumors. Followed by many lectures made the scientific program more impactful with interesting discussions and information shared regarding the latest in the field of Orthopedic Oncology. Dr Gurpal Singh delivered a plenary talk on My Experience in Orthopedic Oncology in Singapore. The afternoon session was on Live biopsy session with over 15 + patients in operation theatre and saw bone workshop on megaprosthesis.

There were huge prizes for poster and oral abstract presenters as a token of appreciation and increasing the morale of students and young budding oncosurgeons.
